

Russell's 1st 3 days.....

Russell entered the world on Wednesday March 14th at 2:20 in the afternoon. He weighed 7lbs 8 oz and was 20 in long.

Russell is comfortable and
calm in his hospital
bassinet.

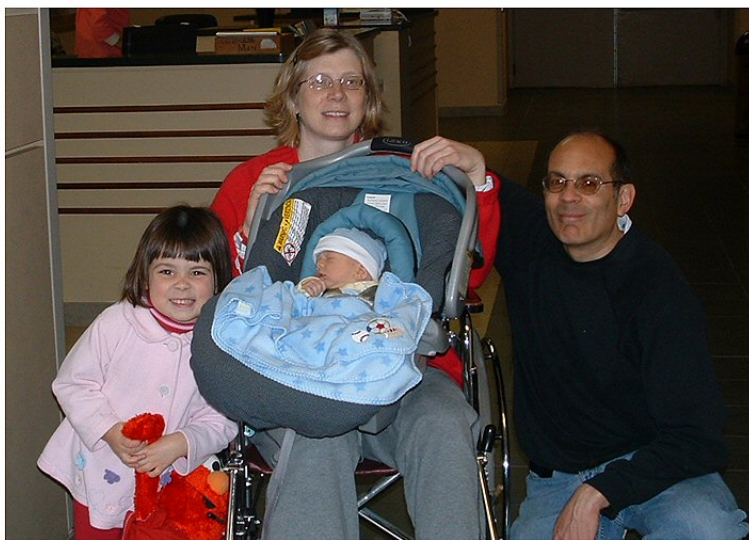

.....but not so calm
during his 1st bath given
by the hospital nursery
staff

Big sister Rachel already likes to tease her baby brother!

The sun was warm and the trees were full of flowers when we brought Russell home from the hospital on Friday March 16th around noon. He was a little less than 48 hours old.

*Russell likes to entertain us with
funny faces.....and so does Rachel!!*
